

ALL-STAR JOG-A-THON 2010

How crucial are Jog-a-thon funds to Courreges?

You may be surprised to find out which educational opportunities your children enjoy that are made possible only through the fundraising efforts of the PTA. This year it is even more important to make this a successful event due to the district and state budget cuts.

Below is a portion of the educational programs funded completely through your donations. The information is from the PTA's final financial report for the 2009/2010 school year:

- Mind Math**
- New Computer Lab**
- Disaster Preparedness**
- Classroom Enhancement**
- Art Masters**
- Best Paw Forward**
- Computer Aid**
- Computer Lab Supplies**
- Field Trips**
- Library Books and Supplies**

The only reason these programs continue to exist at our school is because once a year our families step up and generously support our Jog-a-thon.

Your child's pledge card is due:

FRIDAY, MARCH 19, 2010, but feel free to keep gathering pledges and add them to your card when it's returned to you after the Jog-a-thon. Help our students!

**Let's do the impossible again:
\$75,000!**
