

SPRINGTIME

Daffodil Days is a simple community service which gives you an opportunity to buy bouquets of beautiful freshly-cut daffodils. Daffodils are the first flower of spring and symbolize the hope of a world free from cancer. All proceeds benefit the American Cancer Society's local cancer patient services and educational programs.

If you would like to purchase these spring flowers, please complete the form below, attach a check made out to the American Cancer Society for the total amount of your order and return to your child's teacher no later than Friday, February 10, 2012. The expected delivery date of daffodils is Tuesday, March 20, 2012.
