

Public Speaking & Leadership Winter - Spring Series

The Young Ambassador's mission is to promote leadership, academic excellence, and cultural diversity in the community.

Why does my child need to improve their leadership and communication skills?

~ To build ambition, motivation, and complete the cycle of learning

What does my child need to be successful?

~ Principles and fundamentals of public speaking, goal setting, time management, teamwork, and debate

How will we implement this?

~ Step by step coaching and role playing

Program Details

Who: 2nd to 12th grade

What: Public Speaking

Students will gain confidence and motivation in our Public Speaking and Leadership class! They will progress through the different speech levels and enhance their leadership skills by taking on official roles in class. Each student will get a chance to compete in a formal competition

Debate

Certain requirements may apply.

Students will advance public speaking and research skills as they participate in different types of debate! They will learn to think on their feet swiftly and enhance critical thinking skills. Students will become aware of current events, develop analytical skills, and participate in a formal debate!

When: Check our website for the program schedule.

Where: 5862 Bolsa Ave. #108
Huntington Beach, CA 92649

Cycle of Learning
